Re: Second request to place the District Elections matter on the August 10, 2021 Irvine City Council meeting agenda

By way of follow-up to my original request on May 13, 2021, I'm taking this opportunity to again request a second signature to place the District Elections matter on the August 10, 2021 City Council meeting agenda for Council and community discussion. The community has expressed a strong interest in exploring the possibility of transitioning to District Elections.

I would appreciate a second signature to agendize the requested item.
